# SCHOOLS SUNDAY 2020: GET INVOLVED!

Schools are an important part of the life of our community and play a formative role in the lives of children.

**Schools Sunday Tasmania** is a Sunday specifically set aside to focus on our schools, and work among school-aged children. On **Sunday 16 February** (or another Sunday near that date) church communities are invited to celebrate, pray for and support our schools.

We are asking congregations to set aside a time during the worship on that day to focus on schools and Christian ministry in schools, pray for their local school(s) and the people in them, and a commissioning of those from the congregation who are involved in schools.

The theme for 2020 is **'Taste, See, Smell'**, making a difference as Jesus' followers on the lives of others.
